What is happening on the Campus of the Jewish Home

Activities and Fun

OCTOBER...

15th — Healthy Heart Walk on The Campus
16th — Harrisburg Garden Club Flower show
25th — Game coupon store at the Jewish Home
25th — Zembo Shrine String Band concert
27th — Birthday Party at The Residence

The Campus is a Kosher Campus

The Campus of the Jewish Home is a kosher facility, which means we follow an enhanced dietary code. These rules are of Biblical origin and continue to be followed by observant Jews until today. Included in this dietary system are restrictions on certain animal meats (e.g. pork) and the mixing of milk and meat products together. Following this system helps the Campus maintain a higher level of supervision on the food we serve and ensure a high quality product. When residents and their families wish to eat non-kosher products, they are invited to designated areas in which they can snack. We ask you to help us maintain the distinction of being the only assisted living facility in Central PA to follow kosher!

Staff Making a Difference...Volunteering

The staff at The Campus of the Jewish Home are not only dedicated to our residents, but the communities in which we work, serve and live in. Several staff have recently volunteered, raised money and participated in fundraisers to help “End Alzheimer’s”, raise awareness for a “Healthy Heart” and bring an end to “Breast Cancer”
The Campus Blog...

A difference maker...

The Campus has a few co-workers who have been on staff for more than a few years. Some have been with us for over 20 years and still make a difference. Connie Sterner is one of them, and she has worked at the Campus of the Jewish Home for 26 years now.

Connie came to the Campus as an aide who worked on the weekends. Her daughter was young and she wanted to spend time with her while still working. She soon went to full-time after her kids were old enough to go to school. She has since held a few positions on The Campus, “Making a Difference” with each one.

Of course, her current position does not stop her from being called upon to help a co-worker with resident care when needed. Seems when there is help needed, more often than not, Connie is the first person called upon. Not surprising since you can find Connie in the main dining room pretty much every morning helping with breakfast and bringing smiles to everyone she greets.

Connie had named her daughter after a favorite past resident and thinks a smile is the best payment she can get. Connie has the attitude that allows her to come to work with three goals in mind every day.

MAKE them smile; SEE them smile; MAKE their day. Trust me when I tell you, she hits all three goals EVERY single day. Thanks for “Making a Difference” Connie.

If you have had a chance to meet Connie, consider yourself lucky. If you have had a chance to work with Connie, consider yourself blessed.

Did You Know….There is a staff member who has a collection of Geodes in her office. She has been collecting for over 37 years with her husband.

We’re on the web!
www.jewishhomeharrisburg.org

The Campus has a bulletin board located at the JCC...check it out for information!

Therapy Like No Other

The Campus has a partnership with Aegis Therapies, a comprehensive rehabilitation and wellness company. With Aegis, the Campus is able to offer top notch service and care as well as a national leader in rehabilitation and wellness programs.

We could list all the accreditations that Aegis and The Campus of the Jewish Home have achieved, but there is one powerful story that speaks volumes about the therapy offered at the Campus and why you should consider us for your needs.

A few years back, a gentleman joined The Campus after a lifetime of nothing worse than the common cold. Now, after a hospital stay he joined The Campus for rehabilitation. Needless to say, he was not happy and his mindset was that he was not in need of therapy and considered the therapy room to be “the torture chamber”.

Soon enough, after time spent with two therapists he would later consider “his family” he was showing improvement. He felt a purpose and pride in every step he literally took on his own. When his daughter arrived for their daily lunch, he explained she would need to leave soon after, for he needed to “get back to therapy”. He would end up waiting anxiously to head back to the “torture chamber”.

Any campus can offer therapy; only we can offer the STAFF we have.
Here to Help

Please keep in mind, if you plan to take a loved one out; for a trip home, to the store, to a place to eat...we are here to help. You are welcome to give our therapy team a weeks notice, they would be happy to schedule a time to show you safe procedures to transfer, lift and help your loved one!

Campus Café

As the winter months bring cold weather and frozen temperatures, remember the Campus Café offers hot soups and fresh sandwiches! Even breakfast is served on a daily basis!

Activities and Fun

M-Th — Art Class at 11:00 a.m. in PCH
18th — Blackjack Tournament at 6:30
28th — Music Special w/ Mick Cochran
29th — Donald Koones visits in PCH

DID YOU KNOW?

The Campus Café is a Kosher Deli style Café. Gift certificates are available for purchase and make great gifts as well!
The joy small things bring...

I remember as a brand new father, my daughter’s first couple of birthday parties and the excitement she had at the smallest things possible. The cake and candles which she never ate but loved to shove her face into; the balloons in the backyard she loved to touch and hit; and the presents of course! Usually it was that she was more interested in the box, than the toy that came in the box, but she would be happy for hours with that box! The small things that make us smile and laugh.

My daughter is 19 (and my son is 16) now so it has been a while since I have seen that kind of excitement from small things. Not long ago, while helping with the exercise/activity class I got to witness that same type of smiles and laughter. A volunteer had brought in her baby girl who was 9 months old and her son who was 4 ½ years old. I saw in the resident’s faces, that same smile and heard the same laughter when they walked into the room.

It was amazing to me, how something so small and so precious could bring so much joy to so many people. All the resident’s wanted to meet her and one resident took a special liking to the son who was more than happy to “play” with him. The happiness brought into the room by these two small children was immediate and I am sure will last throughout the day if not longer. The joy we find in small packages....

The Campus Mission—Our mission is to enhance the quality of life for those we serve and their families, and to support individual beliefs, practices and customs.

M-Th — Art Class at 11:00 a.m. in PCH
Apr 19th — Senators Baseball Game
Mondays at the Jewish Home — Rosary at 1:45 p.m. in the SSA
Wednesday in the PCH mean LUNCH OUT with Michal! (Transportation incl)
It is with tremendous pleasure and excitement, the Campus announces “Sami’s Smile Station”! The station is a product of the desire of a local young lady who needed to complete a project for her Girl Scout GOLD badge and wanted to help the residents and families of The Campus.

While shopping for herself, Sami was inspired to come up with a way for family members to capture the memories with their loved ones here at The Campus. She quickly realized a portable printer may be the answer and she set off on her journey.

Sami had a dream to raise enough money to allow her to purchase a printer, some ink as well as paper and allow residents and family members to print pictures from there phone during visits her on campus. So she set her sites and got to work.

Before she knew it, Sami had raised enough money to buy not only the printer, paper for over 300 prints and ink, she also had enough to purchase an Ipod Touch! (She realized not everyone who visits may have a phone!)

So, thanks to Sami, anyone who visits with their loved ones, has a phone (or the Ipod touch) and wants to capture their memories can in an instant! They simply snap a picture with their phone, walk to the lobby and print that memory right there!

The Campus is blessed to have a special young lady thinking of us and our residents and their families. We would like to thank Sami for allowing us to be part of her dream!

Sami’s Smile Station
We can’t thank enough, those of you who already have made a difference with your generosity. With your help, we can keep the station funded for another year.

Please consider making a small donation to the station for supplies and ink. Please see the receptionist or see our Facebook page to donate. We appreciate every donation!

Offering the ability to visit a loved one, snap a picture with phone and print the memory to keep or give to your loved one to keep forever.
STAFF MEMBER OF THE YEAR

LeadingAge PA is an association in Pennsylvania for non-profit retirement communities just like The Campus. They have over 375 members in the association.

Every year, the association hands out awards. Awards that are voted upon by nominations from the campuses for their staff, volunteers, boards, etc. This past year, The Campus nominated Connie Sterner for “Staff Member of the Year” and Connie won!

If you have been lucky enough to meet or work with Connie, you know her dedication to the Campus and its residents is unparalleled. She has been with the Campus for over 26 years and been counted on to fill many positions.

Connie’s title on Campus is Scheduler but she is so much more to every resident, every staff person and every family member than that. She is someone to talk to when advice is needed, a shoulder to cry on, someone who can make you smile or laugh even when you don’t think you can and someone who will take the time to push you where you need to go or help feed you when you need it.

So when you see her, make sure to congratulate her on being voted “Staff Member of the Year”! We could not be more proud of her!

The Campus Mission—Our mission is to enhance the quality of life for those we serve and their families, and to support individual beliefs, practices and customs.

We’re on the web!!

As well as plenty of social media sites...

Be sure to nominate a staff member for Employee of the Year! Please see the receptionist for more info and how to nominate.

Activities and Fun

M-Th — Art Class at 11:00 a.m. in PCH
Aug 7 and 21 — Concerts on the patio!
Mondays at the Jewish Home — Rosary at 1:45 p.m. in the SSA
Wednesday in the PCH mean LUNCH OUT with Michal! (Transportation incl)
A Salute for Our Veterans

Each year, The Campus has a program around Veterans Day to honor those that we currently served who had served us in the past. We have had the color guard join us in the past, presented them with certificates of appreciation and honored them with a ceremony.

This year, The Campus is teaming with our friends from Hospice of Central Pennsylvania for the celebration. We are honored and proud to join forces with them to make sure that our Veterans get the best possible recognition and are honored in proper fashion.

We currently have approximately 25 Vets in our care on Campus and they come from every branch of the service. It is our honor to “Salute” them and we invite you to join us in thanking them. The ceremony will take place November 13 starting at 2:00 at The Campus auditorium. Please make plans to join us as we honor those who served to allow us the freedoms we enjoy.
MORE than just nursing…

When you think of a Nursing Home, you automatically think of the nursing staff such as the RNs, the CNAs and so on. Makes sense, they are the people you most likely have the most contact with as a friend or family member of your loved one when you visit. They are important and the heart of the campus, the reason a campus fails or succeeds.

But next time you visit, take a minute to look deeper and see the other staff who make up the campus. The receptionist who greeted you; the admissions person who helped you so long ago; the social worker who answers your questions. And please, please don’t forget about the activities staff!

Just returning from the Senators baseball game is a resident who played in the minor leagues so long ago. He is still holding the foul ball he caught with the glove he used when he played. The man with the harmonica and the smile from ear to ear; he used to play in a band ages ago. He had not seen or even touched a harmonica for 15 years...until the activity staff brought one in for him. The halls have been filled with beautiful music for the past 20 minutes.

So please remember it takes a team to make a nursing home what it is. There are so many people that touch the lives of our residents each and every day and we take pride in every single touch, every single encounter. We are honored to care for them and appreciate the opportunity to do so.

The Campus Mission—
Our mission is to enhance the quality of life for those we serve and their families, and to support individual beliefs, practices and customs.

FAMILY PHOTO NIGHT

Mark your calendars! The Campus will offer a Family Photo Night on October 29 from 6-7:30 p.m.

Make an appointment to have your picture taken with your loved one here on campus!

See receptionist or contact Jack at jwalker@jhgh.org for more info.

Employees of the MONTH

The Campus is blessed with plenty of caring individuals and we like to recognize them when we can. Please join us in congratulating the following EOMs.

Sami’s Smile Station

WELCOME!
If you have not had a chance, please stop by and say hello to the “new” Administrator of the Jewish Home, Kristina Carlevale. (She started in October of 2018). She would love to meet you and say hello.

READERS CHOICE
The Campus is proud to announce The Jewish Home was recently recognized in Harrisburg Magazine’s 2018 edition as “Readers Choice” for Long Term Care Facility! The management and staff are very honored to have been recognized for their dedication and service to our residents.

If you are curious how to use or even scared to try and use your technology, we have the solution for you!

Thanks to a grant from the Lipsett Foundation and Jewish Community Foundation of Central PA, The Campus was able to purchase four new Ipads!

The staff of The Campus is more than happy to help you to use and even ENJOY the technology we have! Facetime, social media, games and even e-mail! Whether it be your own technology or one you would like to borrow from The Campus, we are here to help!

We currently have a handful of residents who use their technology to watch Netflix, enjoy movies via Amazon Prime and even stream football and baseball games.

We also help more than a few residents enjoy the wonders of Skype, Facetime and their technology to keep in touch with loved ones. What can we do to help you?

If you are curious how to use or even scared to try and use your technology, we have the solution for you!

There are many weeks throughout the year that recognize all the individuals that work in the health care field. Just to name a few; we have Nurse’s week, EMS week, Volunteers Week, and so much more. It's important to recognize your field of work and think about the things you contribute to your place of employment. You may impact so many lives and not even realize it. Think about it for a moment. Why is my job important?

For Recreation that answer is too little understood. For many that think activities is the “fun stuff” or “just games”…. look a little closer. A resident who you thought couldn’t move is now actively moving her arms back and forth with the motion of the balloon. A resident who you thought couldn’t speak is singing softly to the tune of *The Good ole Summer Time*. A resident who you didn’t know was religious is repeating the Hail Mary prayer at Rosary service. A resident who you assumed didn’t care about her appearance is now getting her nails done with a big smile on her face. These are just a few of the many things we provide for the residents.

Don’t get me wrong, these activities are fun for the residents, but they are also habits of a lifetime. This is why our job is important. We provide quality of life to residents. We provide them with the opportunity to continue to exercise daily, sing along to a tune on the radio, go to activities they care about, get their nails done, and much more.

So, Activity Professionals Week isn’t about praising all the “fun stuff” we do. It’s about recognizing habits and routines of the residents; getting to know them personally. Think about the things you enjoy doing. What would you do without those activities? Life would probably be pretty boring without the “fun stuff”.

**The Campus Mission—**
**Our mission is to enhance the quality of life for those we serve and their families, and to support individual beliefs, practices and customs.**

**HIGH FIVE/STAR PROGRAM**

The Campus has launched a new employee recognition program in 2019 and we need your help! When an employee goes above and beyond, makes a difference and deserves to be recognized, we are asking you to let us know. Complete a nomination form at one of the two drop boxes and place into the white box! We will take care of the rest.

**Employees of the MONTH**

The Campus is blessed with plenty of caring individuals and we like to recognize them when we can. Please join us in congratulating the following EOMs.

as well as plenty of social media sites...
America’s Game

The smell of the fresh cut grass. The sound a ball makes when it hits the catcher’s mitt. The crack of the bats in batting practice. Trying to get that foul ball or home run they just hit. The hot dog and nachos or pretzel that was about as big as the glove you had brought along with you. Baseball is here, and America’s pastime usually stirs up some good old-fashioned memories we had as kids.

Going to the game with our Dad, pulling him along as we tried to say hi to our favorite player or get them to even look in our direction. Getting to the seats an hour early just to watch the players warm up. Or sitting in front of the radio or tv to watch the game and cheer our favorite team. It does not matter the specific memory, but pretty much all of us have a memory of baseball when we were young.

I know soon, we will be taking a few residents out to a Harrisburg Senators game at FNB Field. Man, they love to go to the games; one resident told me the best part is the “hot dog and cold beer”. The smile on his face, as he sits in the sun and watches the game, says it all.

So, now that the season is officially under way, who are you going to root for? I personally am rooting for good games and great memories.
MLB GAMES
The Campus has an account with the MLB Network! If you or your loved one enjoys baseball, but can never watch your favorite team, because they are never on tv, let staff know! A live game can be streamed into your tv so you are able to enjoy any game when “your” team plays! Never miss another game!

Did You Know?
Thanks to a young lady named Sami who raised the monies to purchase a printer and ink, families and residents can print pictures from their phones in our lobby?

READERS CHOICE
The Campus is proud to announce The Jewish Home was recently recognized in Harrisburg Magazine’s 2018 edition as “Readers Choice” for Long Term Care Facility! The management and staff are very honored to have been recognized for their dedication and service to our residents.

January – Clyde Rucker
February – Stephanie Urso
March – Jamie Pugh
GOOD TO GREAT

“Good people bring out the good in people”

With media, especially social media at an all-time high these days, it is so easy to find someone doing wrong, or catch someone doing something bad. When you are in a continuum that is consistently under the microscope of public perception, that can be magnified tenfold. But what happens when you catch someone doing something “RIGHT”?

What about the aide who stops on her way into work every morning to get a jelly doughnut for a resident? Or the aide who punches out after a long day's shift only to go back and brush and set a resident’s hair? The nurse who takes the time every single night, to just “chat” with a resident because she knows they just need those five minutes. We could share countless stories of how we have caught people doing right, making a difference for the ones they care for.

Well recently The Campus of the Jewish Home has had two staff members recognized for just that. For their hearts, their care and their love they provide. Connie was named Staff Member of the Year in 2018 and Julie was named Caregiver of the Year for 2019. They were both recognized by LeadingAge PA, an association for non-profit retirement communities in the state of Pennsylvania.

That means, out of the over 340 campuses represented by the association, the 20,000 + staff members and all the applications sent in for the Distinguished Service Awards, The Campus had a staff member chosen two years in a row. They have been recognized for the miles they go above what is expected, the care they strive to provide and the love they spread. They have gone from Good to Great!

“I want to thank everyone that helped my Pop over the years...moving him to the Jewish Home was one of the best decisions I ever made.”

2018 Staff Member of the Year
Connie Sterner

2019 Caregiver of the Year
Julie Hurley
**Employee of the Year**

It is that time of the year again, time to make nominations for staff who you think deserve to be recognized as “Employee of the Year”! If a staff person has really made a difference in yours or your loved one’s life. If there is a staff member who constantly goes above and beyond what is expected...please make a nomination!

Nomination forms can be found with each receptionist of each building. And you may place the completed form in the box found at each location.

Staff will be recognized August 29 and we will be sure to announce the winners on social media as well as in Campus notifications. Thank you!

Volume 1, Issue 9

CAMPUS EMPLOYEE(S) OF THE YEAR

Please be sure to stop and congratulate Clyde Rucker (non-nursing) and Rayne Dormer (nursing) on their recent selections as the Campus Employee of the Year!

If you have had the chance to meet/work with either of them you completely understand why they were chosen this year. Clyde is a Driver who does so much more for The Campus residents, family members and staff. Known for his trademark “it’s all good”, Clyde’s personality and kindness make him stand above and beyond. Thank you Clyde!

Rayna is a Clinical Nurse who means so much more to The Campus. Rayna is the epitome of “we can do anything” and goes out of her way to ensure that we do. No problem is too big for Rayna to solve and it usually means doing something nice for a resident or staff. We so appreciate all her efforts and are proud to name her Employee of the Year.

The Campus Café provides a relaxing atmosphere for a visit and a great cup of coffee. We now offer Iced Coffee selections as well as fresh made sandwiches and meals. Offering take-out as well! So if considering a get together, why not consider having at The Campus Café or get catering from the Café? Just call 717-657-0700 and ask for Dennis to discuss your options for a fresh, Kosher meal.

THANK YOU DONORS!

Many thanks to the staff, family members and public who recently donated for the Red Cross Blood Drive. We had 22 donations!

**ALZHEIMER’S WALK**

Staff once again took part, with the help and support of our residents and volunteers in the Walk to End Alzheimer’s. Money was raised, smiles were shared and a difference was made! Thanks to all who joined and helped us so much.

---

**A WEDDING TO REMEMBER**

The Campus recently had a resident join us just days before the wedding of her Granddaughter. She had planned to attend the wedding, but a small accident was now going to prevent that from happening for her and she was heartbroken to be missing it.

A nurse in her neighborhood found out about this and jumped into action. She asked around and did some research, finding that if we were to have someone attend the wedding we would be able to Skype the wedding for her back at The Campus.

So this loving grandmother was invited to a special viewing of the wedding. She was escorted to a conference room with a large television and speakers. A staff person who happened to be a good friend of the bride volunteered to be the camera person and used Skype to film the entire wedding for her back at The Campus.

The best part of the day...when the bride and groom started their first walk as a married couple, they stopped to say hello to Grandma in the camera.

The Campus announces catering

A few months ago, the Campus Café introduced Iced Coffee to go along with their fresh, deli sandwiches and homemade soups. This past holiday season, The Campus offered holiday pies for order and pick up. The advancements of The Campus Café are growing each month.

Now, The Campus is expanding their services even more, thanks to the heart and desire of Dennis, the General Manager of Food and Nutrition.

The Campus is proud to announce they will be offering catering for any needs you may have!

From Shivas and family gatherings to celebrations The Campus is happy to offer a wide variety of choices to best fit your needs. And Dennis is more than happy to work with you and hear what you would like to enjoy at your gathering. Dennis can be reached by calling The Campus at 717-657-0700 or e-mail at dmichaels@jhgh.org.
Welcome aboard PS Salon! PS Salon and Spa is the leading National Senior Community Salon and Spa provider and they are a part of The Campus now! Offering several different options for your care and needs, PS Salon offers a Beautician twice a week as well as a Barber once a week. Gift certificates (or Celebration accounts, as they call them) are available so that family members and friends may purchase services for loved ones anytime. Join us January 30 at 10:45 a.m. in the SSA to officially meet the staff and for a chance to win a free service for you or your loved one!

**WEBSITE**

If you would like to keep up with The Campus, see what activities are coming up, read our blog or even see a menu for the week please just visit our website at [jewishhomeharrisburg.org](http://jewishhomeharrisburg.org). And of course can follow us on your favorite social media site!

---

**Did You Know?**

Thanks to a young lady named Sami who raised the monies to purchase a printer and ink, families and residents can print pictures from their phones in our lobby? (Please see receptionist for help)

---

**Stars of the MONTH**

The Campus is blessed with plenty of caring individuals and we like to recognize them when we can. Please join us in congratulating the following Stars.

October — Jill Swartz
November — Anita Packer
December — Kusum Bostola
Thank you!!

The COVID—19 Pandemic has brought uncertain times, lots of questions and difficult times for all of us. But the staff at The Campus has pulled together, worked hard to stay safe and protect our residents and loved ones. Together, we have been able to navigate these troubled waters and realize the importance of teamwork; not only between staff but with family members as well. We cannot thank you enough for the kind words, notes of hope, letters of love and especially the snacks! Each and every one of them helps us keep our heads up and strengthen our resolve to get through this.

Soon enough we will be back to “normal” and life will resume as it always did. Until then, we promise to keep the path we have chosen; will continue to do our best to make it a seamless transition back to every day life. Until that time, please know you can keep updated with news and notes on our website at https://www.jewishhomeharrisburg.org or by following us on social media. If you prefer, please send your e-mail address to Jack at jwalker@jhgh.org for e-mailed updates.
#snacks = thanks!!

Of course, the best way to show appreciation is with snacks! So, staff has been blessed with donations by family members, staff buying for staff and our very own CEO, Allen providing snacks and thanks along the way!!

FAMILY

We cannot thank the families enough, for their support and willingness to make the best out of the situation. That includes some very cool window visits and plenty of Facetime!!

Stars of the MONTH

The Campus is blessed with plenty of caring individuals and we like to recognize them when we can. Please join us in congratulating the following Stars.

January – Jody Smith
February – Denise Schlegel
March – Wendy Routch

We’re celebrating 43 years of keeping our seniors safe this month! Help us continue our important work by donating inspirational notes to residents, masks, pocket size hand sanitizers, and $4,300 for supplies. Call 717-657-0700 or PM for drop off info or donate online today www.jewishhomeharrisburg.org/ donate

The Campus continues to be proactive with the response to the pandemic as we try our best to stay ahead of Covid 19. Weekly updates are provided at the website as well as e-mailed and mailed to resident family members. If you would like to be added to the e-mail list please just send an e-mail stating so to Jack at jwalker@jhgh.org. Or you can always check the updates on the website at www.jewishhomeharrisburg.org.

Staff continues to work with families and residents to make sure they are able to connect via Facetime and Zoom. But as we continue the path to slowly re-open the Campus, we are able to offer in-person visits outside while the weather cooperates! Please contact Jessica or Sarah at 717-657-0700 to schedule a visit and see the website for the policy on visitation. We appreciate the continued patience and support as we keep residents and staff safe as possible.
**EMPLOYEE APPRECIATION**

Once again, in October The Campus held its annual Employee Appreciation Day for staff. The day consists of food made fresh for the staff, games, raffles, a photo booth and a general “thank you” for all they do. This year’s theme was fittingly “Heroes” and we were proud to honor them for all their hard work and dedication. Especially in these times of the pandemic, the care they have provided, the sacrifices they have made. We so appreciate them and all they do.

Part of the festivities is the chance for Leadership to name the Employee(s) of the Year both in Nursing and non-Nursing categories. Gisela, a PCA who works in The Residence began her career on campus in the security department before working her way to become an aide. We are blessed and thankful she did, for she touches so many lives and helps so many people. Always one to shy away from the spotlight when she was named as the recipient, the first thing she wanted to do was share the honor with her co-workers.

Lori is a Social Worker in the South neighborhood of The Jewish Home and a difference maker to everyone she touches. Always willing to lend a hand and pitch in, Lori is always looking to make someone’s day that much better. Be it a smile, an ear to share or a shoulder to cry on, Lori is always there when needed. She truly is one of a kind and we are lucky to have her on staff! Thank you ladies!

**READERS CHOICE**
The Campus is proud to announce The Jewish Home was recently recognized in Harrisburg Magazine’s 2020 edition as “Readers Choice” for Long Term Care Facility! The management and staff are very honored to have been recognized for their dedication and service.

**Stars of the MONTH**
The Campus is blessed with plenty of caring individuals and we like to recognize them when we can. Please join us in congratulating the following Stars.

July – Trina Yerger
August – Taychat Wood
September – Carla Readinger
