

February 20, 2022

To Family, Friends & Staff of The Campus,

Since our last letter, our PCH has 1 new case of COVID 19 identified with a team member through regular screening protocols.

At this time we will continue testing based on symptoms and contact tracing.

Visitation remains open. If you must visit, please ensure to wear appropriate PPE and practice frequent hand hygiene. We do ask that everyone please remember symptoms can be very mild. If you have any symptoms of COVID-19, cold like symptoms, or a pending COVID-19 test do not visit at this time.

Please reach out with any questions. Thank you for helping us keep our residents and staff safe!
